

Scientific Biography

Name: *Saad Adnan Manhal Al-Badry*

Specialt : Plant production / Field crops

Degree: lecturer

Mobile : 009647817215786

Current position: Field crops Dep. /College of Agriculture & Marshes / Dhi-qar university / Iraq.

Email : Saad-a@utq.edu.iq

Certificates

1. Bachelor's degree in Agricultural Sciences / Department of Field Crops / Faculty of Agriculture / University of Basra / Iraq (2001-2002).
2. Master's degree in Plant Production Field Crops / Faculty of Agriculture / University of Al-Muthanna / Iraq (2013). Title of thesis **Effect of Date and Quantity of Potassium Fertilizer Application on Growth, Yield and Oil Quality of Sunflower (*Helianthus annuus* L. var. flame**

Research published

1. Effect of Date and Quantity of Potassium Fertilizer Application on Growth, Yield and Oil Quality of Sunflower *Helianthus annuus* L. var. flame *IOSR Journal of Agriculture and Veterinary Science (IOSR-JAVS)* e-ISSN: 2319-2380, p-ISSN: 2319-2372. Volume 4, Issue 1 (Jul. - Aug. 2013), PP 33-40 www.iosrjournals.org
2. Effect of planting date and plant density on the growth, yield and components for two types of sunflower *Helianthus annuus* L. Thi-Qar University Agricultural Research magazine Volume 3 (1) 2014.

Positions

1. The Director of the Division of Quality Assurance and Accreditation / College of Agriculture and marsh / University of Dhi Qar 0.2 / 1/2014.
2. The reporter of the Department of Field Crops Sciences / College of Agriculture and marsh / University of Dhi Qar. 11/18/2014.

Articles

1. Effect of amounts and dates Add potassium fertilizer on the growth and quality of oil and holds the sunflower crop in 2013.

Practical experiences

1. Field practice field in classification of weeds and methods of control.
- 2 - field practice and conducting research on foliar application of growth regulators.
3. field practice and conduct research on Check pea crop.
4. Implementation of agricultural research projects for students of preliminary studies for grades ended.

Scientific expertise

1. Assistant Lecturer in the Department of gardening and landscaping / College of Agriculture and marsh / University of Dhi Qar, from 2013 to 2015.
2. Assistant Lecturer in the Department of Field Crops Sciences / College of Agriculture and marsh / University of Dhi Qar, of 15.11.2014.
- 3 – reporter of field crops Department from 11/15/2014.

Seminars

- 1 - the first scientific symposium to desertification. College of Education. Al-Muthanna University. 2013.

Courses

1. irrigation problems in developing countries / University of Florence / Italy / 2009-2010.
2. Self-Assessment sections of the faculties of the University of Dhi Qar 10/12/2014.

Conferences

First Conference of quality at the University of Dhi Qar 16/04/2014.

Overseeing the initial studies students

Four students.
